

FOR THIRTY YEARS—M. GUTMAN & CO.

For 30 Years

We have been studying the Clothing business and it has taught us how to buy. We always get the worth of our money, so we can always give you the worth of yours.

Many an honest dealer has to charge more than we do, because he paid too much himself.

Ignorance is less provoking than dishonesty, but IT COSTS YOU JUST AS MUCH.

Need we point the MORAL? When you come to us you get the BENEFIT OF WHAT WE KNOW.

Our stock, as usual, this season surpasses any other clothing stock in the state for VARIETY, QUALITY AND QUANTITY.

FUR OPENING—GEO. E. STIFEL & CO.

FUR OPENING.

Thursday, Friday, Saturday.

THIS WEEK.

As has been our custom for several years past to give an opening of FURS, whereby we give to our friends and the public advantages unsurpassed in the eastern cities, we therefore take pleasure in announcing that we have arranged with one of the leading Furriers of New York to give us an opening on the above days. This line will comprise GARMENTS OF ALL STYLES, made from all kinds of Furs; also Rugs, Robes, Scarfs, Foot Muffs, Thibets, Fur Sets, etc., which, in connection with the line of Fur Goods in our stock, will MAKE THE LARGEST DISPLAY OF ELEGANT FUR GOODS EVER SEEN IN THE CITY.

We invite every one to see this magnificent display, especially those contemplating the purchase of Seal, Mink, Marten, or any other Fur Garment, as we can guarantee satisfaction in every respect, especially quality, fit and price.

A NEW OIL FIELD.

Prospects for Oil in the New Sun-fish Region Favorable.

THE FARMERS ARE EXCITED NOW

And it is Thought the "Big Injun" Sand will be Reached To-day—All the Farms in the Neighborhood Have Been Leased by Pittsburgh Parties—Much Secrecy is Maintained Around the Wells.

All the signs point to a new oil field in West Virginia. Several months ago emissaries of Duffy & Queen, the well known Pittsburghers, who have heavy interests in the Sistersville field, secured leases on all the farms in the neighborhood of Sunfish, below Clarington, on the West Virginia side of the river in Marshall county. Experimental wells were at once started, and though the utmost secrecy has been maintained, it is learned that all the indications from a geological standpoint point to the field being a productive one. The geological formations are identical with the Sistersville field from the surface down to the limestone immediately above the "Big Injun" sand, and on this fact, principally, are based the hopes for a "gusher." The limestone was reached a foot or two ago, and it is expected the drill will strike the "Big Injun" this morning, when it will be learned whether a new oil field has been started toward development. Duffy & Queen's superintendent, Mr. Calloun, has been at the experimental wells for two or three days, carefully watching developments.

A Good Arrangement.

Patrons of the Vandalia and Pennsylvania Lines west of Pittsburgh will be glad to know that an arrangement has been made, taking effect November 1st, by which portions of Mileage Tickets will be detached and accepted in payment of excess baggage charges. Commercial travelers and others will find that agents of the Pennsylvania and Vandalia Lines at all principal stations have been instructed regarding this concession, which will no doubt become immediately popular.

S. Burnham, Robert Broderick, Joseph Greenfelder, Frances Roseau and Mountjoy Walker.

T. M. O. A. Lecture.

Dr. Robert Nourse, of Washington City, will lecture at the Young Men's Christian Association hall this evening. Dr. Nourse is truly a great lecturer. In voice, gesture, humor and pathos he is considered a master. His style is so interesting and inviting that one is interested from the start. He is an excellent story-teller, and his power of mimicry is great. He lectured for the association two years ago and those who heard him there will certainly want to hear him to-night. This will be the opening of the lecture course. Tickets for the course of five lectures are one dollar. Single tickets for this lecture thirty-five cents.

Transfers Recorded.

Clark Hook yesterday admitted to record transfers of real estate as follows: October 27 by Henry K. List, executor of Mrs. Matilda Adams, deceased, to Mrs. Bridget Cahill, for \$3,200, part of lot 113, on the north side of Eighteenth street.

A vote for Capt. B. B. Dovenor for Congress is a vote for better times, and to call a halt on the effort to break down the defenses of American markets. A vote for Mr. Howard is a vote to continue free trade agitation, which means continued uncertainty in the business world, more panics, depression, lower wages for workmen, and lower prices for farm products.

McKINLEY AND WILSON ABROAD.

In 1899 William McKinley was burned in effigy in the English manufacturing city of Sheffield; but in 1894 William L. Wilson was wined and dined in London because he is the author of a free trade tariff bill. These are significant facts.
